Barga, in the province of Lucca, is a magical place like the many surrounding towns in the area. Its history is connected to the Poet Giovanni Pascoli that lived and wrote some of his most famous poetic verses, but it also goes back in time to many centuries ago, a past deeply reflected in the charm of its Medieval Borough, one of the pearls of the Serchio Valley for its unique and profound beauty.

It has always been a favourite place for many artists in search of inspiration and the good life and every year more and more tourists come here to spend enjoyable hours and days of total pleasure walking along the narrow streets and lanes of the borough, drinking and eating in the typical bars and restaurants and enjoying the many events that characterise the summer months. Here you can forget your problems and emerge yourself in an endless time of sounds, scents, colours and welcoming warmth of the town and the people.

This guide is for all those that want to live the town and discover the best and also most secretive aspects of Barga. Just like real Barga people.

Music and poetry on the night of the shooting stars

The 10th of August is a special night: it is the night of the shooting stars that Giovanni Pascoli (who at Castelveccchio Pascoli spent the last and the most productive years of his life) describes in the intense poem "X Agosto".

For over thirty years the Giovanni Pascoli Foundation, the Misericordia of Castelveccchio and the Town Hall of Barga have organised the Homage Evening to Pascoli, each year enriched by the participation of great interpreters and excellent musicians that blend music and poetry in an unforgettable event.

The event returns this year, after three years at the Fosso Square in Barga, to its historical location, the magnificent garden of Casa Pascoli at Castelveccchio

This year a couple of famous TV and film stars Giuseppe Zeno and Bianca Panceroni will accompany the audience in the enchantment of the Homage evening to Pascoli by narrating the most important Pascoli poems.

The musical part of the event will see the return of "Le Muse" Ensemble and excellent singers directed by Maestro Andrea Albertini that will propose a selection of classical and contemporary musical pieces.

The 2023 edition will be dedicated to the memory of one of the most famous and loved TV stars, the Italian journalist, TV presenter and writer Piero Angela. The evening will also be dedicated to scientific research.

The presenter and host is, as always, the great Luca Scarlini and with Alessandro Bertolucci as director

As always it will be an unforgettable appointment: the Caprona hill where Pascoli lived will become for one night a natural stage lit by the stars and overwhelmed by the musical notes and voices of the performers.

In the Medici parlour of Barga Vecchia

It is one of the places that cannot be missed during your stay in Barga. It is in the Florentine parlour of Barga Vecchia where you can absorb the atmosphere of Medici Barga and enjoy the intense Barga summer. The Osteria, one of the most popular restaurants in town, is a place where visitors of all ages can enjoy the good life, good tastes and a relaxed atmosphere. The local people love this place, especially in the summer months when Piazza Angelio has a full programme of musical and many other events. It is a favourite place for all the artists that come to Barga; the ideal destination for visitors of Barga.

This is the place where you can find the slow “Barga” lifestyle and be welcomed by the owner Riccardo Negri and his friendly and lively staff.

Wine-bar, restaurant, a place for snacks and drinks with the adjacent lounge bar Angeli...O. The two external terraces offer an exclusive setting on the most intense square of Barga where you can watch the coming and going of people.

Here you feel at home where you can find good company, food and drink: simple dishes but a delight to the palate, that you can normally find in a Barga home. Last but not least an important wine cellar with mainly Lucca and Tuscan wines.

The essence of Barga is served

La Loggia del Capretz is a bistro in the heart of Barga historical center. This place has a long life: it was opened in 1870 by the Swiss family Capretz under its name. Today it is a space where the flavors of contemporary cuisine meet the roots of the territory. It is a bistro café where you can enjoy appetizers and delicious tapas; it is also a restaurant with a rich offer of first courses and meats; it is a corner of gastronomy with a careful choice of quality ingredients. This project was created from Gianpaolo Romani, a chef from Ferrara who has travelled all around the world, and Riccardo Negri, owner of the Osteria di Piazza Angelio in Barga. La Loggia del Capretz has been of the most popular Barga kitchen innovations in the last years.

You can choose to sit in the internal rooms, in the 16th century loggia which once hosted Barga market, or on the panoramic terrace where there is an epigraph dictated by the poet Giovanni Pascoli, who was a regular customer at Capretz.

At Capretz you can breathe art: the restaurant is a meeting point for many artists and for the whole year, here you can find the works of painters and sculptors from the local and international scene.

This is the right place to experience the essence of the old Barga. The staff will make you feel at home.

A full and warm welcome to Barga

The Orsucci family, genuine Barga-Scots, have been truly welcoming people to Barga for many years.

GIRO DI BOA As part of their family business, the fish restaurant is renowned throughout the whole of the Serchio Valley. You can find it in Via di Mezzo, in the heart of the ancient town, whereby sitting in the square, you will be enveloped by the atmosphere of the sea right here in Barga. You will find Riccardo Orsucci, preparing carefully selected fresh fish and many other traditional local dishes. Absolutely a must try: fresh tuna Mojito, mixed fish grill, the famous Risotto Imperiale and deep fried squid and Prawns (Fritto misto).

VILLA GHERARDI HOSTEL B&B With a spectacular view of the historic old town of Barga, immersed and surrounded by greenery and lawns, stands Villa Gherardi, where Adele Pierotti awaits to host you with 13 splendid and comfortable bedrooms (all have ensuite), offering you the chance to enjoy a pleasant stay in Barga. Attentive care in welcoming guests, starting with the breakfast. Villa Gherardi is the perfect place for individual travellers, families, couples and groups.

CAVATAPPI In via Borgo 1, right at the entrance to the old, historical town, you will find CavaTappi, a youthful cocktail bar, ideal for enjoying pre and after dinner cocktails and drinks. Amongst the specialities, there is also the "Gintonicheria" in collaboration with Ambrosia Gin. Open from Friday-Sunday, hosting during the summer live music events. The cocktail bar is managed by Stefano Orsucci and is open all summer.

The welcoming tradition, nature and refinement

The agriturismo “I Cedri” is in Albiano, a lovely village of Barga, set between Lucca and the Garfagnana mountains one of the greenest and most luxuriant areas of Tuscany.

The residence is surrounded by olive groves and vineyards that cover 16 hectares of land.

In the centre of the estate there is Villa Mordini, built in 1711 even though the foundations date back to an earlier period.

“I Cedri” is an agritouristic complex composed of various rural houses all completely restored with care and passion.

“I Cedri” maintains absolute respect for tradition, guest privacy and provides all the necessary comforts to ensure a pleasant and relaxing stay.

Words cannot express the peace, tranquillity and magical serenity of this place as one walks through the olive groves, along the antique vineyards or by relaxing in the shade of the age-old trees, the great oak trees, the enormous sycamore, the monumental cedars of Lebanon planted in 1838 and placed at the antique entrance of the property.
